

VORTEX PAPER PENDANT

VORTEX PAPER PENDANT

by CHRISTOPHER FLECHTNER
for CRAFTSMAN + COLLECTIVE

The VORTEX pendant is skillfully crafted from beautiful hand-made paper, a modern interpretation of the classic Akari lantern. This paper, or washi as it is called in Japan, is painstakingly produced in the glistening mountain streams of northern Kyoto. Mounted on an intricate armature, the ethereal quality of the paper creates an elegant fixture sure to enrich any space.
